You Have Questions...We Have Answers!

1. Why are we making this time change? Our church leadership believes that the change will make our church more effective in ministering to our community.
2. Will I still be able to attend my usual Small Group Bible Study? Yes! All small groups will now meet at the same time, 9:45 AM, between the services. Because small groups will no longer meet during one of our worship times, you may now choose which worship service you wish to attend.
3. Will the worship style change? No, only the times are changing. The choir & orchestra will lead the Traditional service at 8:30 AM; the praise band will lead the Contemporary service at 11:00 AM.
4. How will the change affect childcare? Children's classes and nursery care will be offered during all three hours. Children's Sunday School will meet simultaneously with adult small groups at 9:45 AM. There will be large group kids activities at both 8:30 and 11:00 AM.
