

# Welcome to 1st NPR Kids!

It is our desire to see kids grow in their relationship with Jesus by laying a strong foundation rich in the teaching of God's Word. We choose lessons and activities that are age-appropriate to help kids know Christ.

Our theme verse is **Matthew 19:14**

*Jesus said, "let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."*

## Security

All of our preschool & elementary kids check into the computer system located at both the first and second floor welcome desks. Each child receives a name badge to wear, and the parent or guardian receives a security badge with a matching number that allows our volunteers in the classroom to verify that children and parents belong to one another.

All of our volunteers serving in any children's areas have a completed criminal background check on file and are provided training in security protocols and procedures.
